The Virginia Neighborhood Stabilization (NSP) Program was authorized under the *Housing and Economic Recovery Act of 2008* to assist in the redevelopment of abandoned and foreclosed homes and residential properties.

The NSP appropriated \$3.92 billion in federal funds and is, with some exceptions, treated as an extension of the CDBG program.

Virginia will receive approximately \$38.7 million in NSP funds.

Eligible uses of these funds are outlined in a substantial amendment to the Annual Action Plan, available online at:
www.dhcd.virginia.gov/CommunityDevelopmentRevitalization/Neighborhood_Stabilization_Program.htm

The Request for Proposal will be available from this location after Jan. 13.
